

Senate Bill No. 1254

CHAPTER 643

An act to add Section 7127 to the Business and Professions Code, and to amend Section 830.3 of the Penal Code, relating to contractors.

[Approved by Governor September 30, 2010. Filed with
Secretary of State September 30, 2010.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1254, Leno. Contractors: workers' compensation insurance coverage.

Existing law requires private employers to secure the payment of compensation by obtaining and maintaining workers' compensation insurance or to self-insure as an individual employer or as one employer in a group of employers. The Contractors' State License Law requires every licensed contractor to have on file at all times with the Contractors' State License Board a current and valid Certificate of Workers' Compensation Insurance or Certification of Self-Insurance, or a statement certifying that he or she has no employees and is not required to obtain or maintain workers' compensation insurance coverage.

This bill would authorize the registrar of contractors to issue a stop order, effective immediately upon service, to any licensed or unlicensed contractor who as an employer has failed to secure workers' compensation insurance coverage for his or her employees. The bill would make a failure to comply with the stop order a crime, thereby imposing a state-mandated local program. The bill would set forth specified procedures for the payment of employees during a work stoppage subject to a stop order, as specified, and for an employer to request a hearing to protest a stop order. Upon that request, the bill would require the registrar of contractors to hold a hearing to affirm or dismiss the stop order and issue and serve on all parties to the hearing a written notice of findings and those findings. The bill would authorize a writ of mandate to be taken from the findings to the appropriate superior court, as specified.

Existing law authorizes the Director of Consumer Affairs to designate 3 persons as peace officers to be assigned to the special investigations unit of the board.

This bill would authorize the director to designate 12 persons as peace officers for assignment to the special investigations unit of the board.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 7127 is added to the Business and Professions Code, to read:

7127. (a) (1) If an employer subject to licensure under this chapter has failed to secure the payment of compensation as required by Section 3700 of the Labor Code, and whether that employer is or is not licensed under this chapter, the registrar may, in addition to any other administrative remedy, issue and serve on that employer a stop order prohibiting the use of employee labor. The stop order shall become effective immediately upon service. An employee affected by the work stoppage shall be paid by the employer for his or her time lost, not exceeding 10 days, pending compliance by the employer.

(2) Failure of any employer, officer, or any person having direction, management, or control of any place of employment or of employees to observe a stop order issued and served upon him or her pursuant to this section is a misdemeanor punishable by imprisonment in the county jail not exceeding 60 days or by a fine not exceeding ten thousand dollars (\$10,000), or both.

(b) An employer who is subject to this section may protest the stop order by making and filing with the registrar a written request for a hearing within 20 days after service of the stop order. The hearing shall be held within five days from the date of filing the request. The registrar shall notify the employer of the time and place of the hearing by mail. At the conclusion of the hearing, the stop order shall be immediately affirmed or dismissed, and within 24 hours thereafter the registrar shall issue and serve on all parties to the hearing by registered or certified mail a written notice of findings and findings. A writ of mandate may be taken from the findings to the appropriate superior court. Such writ must be taken within 45 days after the mailing of the notice of findings and findings.
